# INTERMEDIATE WHEEL SPINNING: HOW TO RETAIN THE BEAUTIFUL COLORS IN YOUR SPACE-DYED FIBER BRAIDS

**Cost:** \$90 (3 sessions) **Level:** Intermediate

Prerequisites: All students must be able to independently spin a consistent singles yarn to enroll

in this class.

Max Number of Students: 4

**Description:** Have you ever been disappointed with the yarn that you spun from a beautiful braid of fiber? Were some colors lost or did they come out muddied? We all have been heartbroken by this in the past. This class will address this problem and teach you one popular way of dealing with it, that of chain plying (also known as Navajo Plying). This method makes a three ply chained yarn using only one bobbin of singles. Come learn a new and useful plying technique or just sharpen your current chain plying skills!

**Materials:** Bring a space-dyed braid of fiber of your choice. Many can be found at Nature's Yarn!! You may use your own spinning wheel or borrow one from the store (these borrowed wheels will remain at the store). You must also bring a free standing lazy Kate and spare bobbin for the second and third class meetings. The lazy Kate attached to your wheel is not particularly useful for this technique.

Dates/Times: Thursdays, 6 PM - 8 PM (April 6, 13 and 20)
